

How Unicorn is Reaching Out to the Community with Care Packages

Unicorn clients have been helping vulnerable people in San Antonio in a remarkable way. In the last six months we've:

- Provided 3,000 sack lunches to low income patients at the Dixon and Wesley Clinics on the south side of San Antonio,
- Created 55 Christmas gift bags for the pets of seniors through Meals on Wheels,
- Packaged 10 flood buckets filled with cleaning supplies for victims of Hurricane Florence through UMCOR, and
- Assembled 100 cold weather kits containing blankets, ponchos, socks, etc. for homeless people.

Unicorn has been teaming with financial partners, neighboring congregations, and local charities in this inclusive ministry that allows our people to play a role in uplifting the lives of others who are struggling. Dozens of Unicorn clients have participated.

We plan to do more of the same in 2019. Please contact Don Ketchum at dketchum@bakerrisk.com if you would like more information about the program.
