So Much Fun!

Summer Fun, Fun, Fun

Hello family and friends!

Wow! July was filled with many new adventures and experiences. Our individuals took a charter bus over to Comic Con for an amazing time. We saw our favorite superheroes, met some fun people, played games, gathered for lunch, and just had a blast.

We also had the pleasure of having an Immersive Disney Animation experience. Our individuals were able to enjoy their favorite Disney movies come to life all over the room and sing along to their favorite Disney songs.

The fun didn't stop there. We also began a new adventure of going to the gym with a personal trainer. Our individuals will be going twice a month for an enjoyable workout. We will also have a personal trainer come on-site once a month to lead a huge group exercise class and nutritional courses. Movement is just so important and our individuals want to keep up the momentum! They have started a new basketball team and are working hard through their drills and practices.

Way to go everyone!

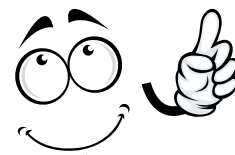

A Look Ahead

Watch out for some fun activities in August!

Supported Employment Department

Spotlight!

Congratulations,

**Ms. Romalia
Mosby,**

on your new
employment at
Burlington!

Ms. Romalia is
now a
Receiving
Associate.

Shout out to
Mrs. Bea,
Supported
Employment
Specialist, for
assisting Ms.
Romalia in an
Enhanced Job
Placement
Setting!

Read below to
find what
Enhanced Job
Placement is!

More About Romalia:

Romalia began services with The Supported Employment Department in April. She had prior work history and many skills. Romalia was previously a pastry decorator at Nadler's Bakery. Unfortunately, due to some unforeseen obstacles, her tenure at the bakery was short. Romalia wanted to find new employment so she worked with a Job Coach. With her Coach's help, she successfully landed a job at Burlington, where she will be in charge of receiving shipments and merchandise. Romalia will continue working with her Coach to learn the skills she'll need to be a great employee. All made possible through the Power of Three!

What is Enhanced Job Placement?

Enhanced Job Placement is one of the many services offered by the Texas Workforce Commission, TWC. An individual with this service will receive hands-on instruction and assistance with obtaining employment, and comprehensive ongoing assistance to learn new skills.

Our Job Coaches network with businesses all around San Antonio to find the perfect fit for employment. This service is great for individuals who have recent prior work experience and are ready to get back into the workforce!

So Much Fun!

Summer Fun, Fun, Fun

Hello from Mission Road!

Wow! July was filled with many new adventures and experiences. Our individuals took a charter bus over to Comic Con for an amazing time. We saw our favorite superheroes, met some fun people, played games, gathered for lunch, and just had a blast. Did I mention we also had the chance to see an amazing car show? It was complete with the Mystery Machine and the Ghost Buster's vehicle!

We also had the pleasure of having an Immersive Disney Animation experience. Our individuals were able to enjoy their favorite Disney movies come to life all over the room and sing along to their favorite songs. The experience included a light show that was such a joy and the interactive bracelets our group received made it even more magical.

As for all the fun on-site activities, we are really enjoying our time on campus this summer. These hot days make you want to jump into our pool and play in the splash pad. Catch us outside every Friday this summer enjoying the water.

See you soon!
